

Power Up Your Child

This Summer

*Tutoring and Enrichment
SAT/ACT Prep
Homework Help*

We help kids avoid the “summer learning loss” phenomenon with a balance of learning and fun.

Summer Power Workout Plans include fractions, problem solving, and more. Give your child an edge for next school year... and beyond. We're the authority in math education, with over 900 learning centres worldwide. **Start your child's transformation.**

Call to schedule a free assessment during the month of May!

*Changing Lives
Through Math™*
