

It can take as little as five days to become dependent on opioids.¹

Cannabis is now an option for your pain management.

If you are 21 or older, are a patient who has a current prescription for an opioid, or would otherwise be prescribed an opioid, you can now choose to seek relief with medical cannabis and are eligible to apply for a 90-day medical cannabis card under the Illinois Opioid Alternative Pilot Program.

Choose Verilife as your designated dispensary and receive one **FREE welcome bundle** with your first purchase — a \$300 value.*

1816 S. Arlington Heights Road | Arlington Heights, IL
QUESTIONS **888.493.6066** or VISIT **verilife.com**

Free Welcome Bundle contents and retail value may vary by dispensary. Non-transferable. Always seek the advice of your physician or other qualified healthcare provider before starting any new treatment or discontinuing an existing treatment with medicinal cannabis. Talk with your healthcare provider about any questions you may have regarding your cannabis use.
